## DD SERIES DOWNDRAFT NECROPSY TABLES

| <b>APPLICATION</b>   | <b>WORK SURFACE</b> | <b>OVERALL</b>                                    |
|--|---------------------|---|
| The BetterBuilt DD Series Downdraft Necropsy Tables provide an adjustable yet uniform downward airflow, for full protection from strong fumes and odours. All stainless steel construction, lift out hand sink, perforated work surface and removable air baffles combined with cold water wash down capabilities ensure this work station is easy to clean. | MODEL<br>DD2460     | W x L<br>26 x 60"<br>660 x 1524mm                 |
|  |                     | W x L x H<br>30 x 78 x 57"<br>762 x 1981 x 1448mm |

Note: Due to continued engineering improvements, specifications are subject to change without notice.
